Evidence Ledger

Source Base

FluidLogic public website: <https://fluidlogic.com/>

FluidLogic LinkedIn: <https://www.linkedin.com/company/fluidlogic-usa>

FluidLogic Baja 1000 article:

<https://fluidlogic.com/blogs/news/the-science-of-flow-intelligent-hydration%E2%84%A2-at-the-baja-1000>

Facts Currently Supported

- FluidLogic positions its systems as data-informed hydration integrated with the athlete or vehicle.
- FluidLogic has proven traction in motorsports, off-road, tactical, and high-performance environments.
- The company has credibility in elite performance settings where hydration, safety, and decision-making matter.

Claims Requiring Validation

- athlete segment demand by category
- exact hydration-performance effects by sport
- best wedge for elite athlete adoption
- public claims around specific metric or outcome improvements

Evidence Discipline

Never present a market fact, competitor claim, or performance assertion as true without a source or a validation note.
