Assigned Beings

Core Operating Sequence

```
@team-lead
-> central-orchestrator
-> research-coordinator
-> market-intelligence
-> research-analyst
-> idea-generator
-> knowledge-librarian
-> distribution-coordinator
-> marketing-strategy
-> content-creation
-> sales-enablement
-> community-manager
-> learning-coordinator
-> experimentation
-> analytics
-> customer-insight
-> strategy-advisor
-> truth-agent / risk-and-proof
```

Purpose

This model keeps the workflow small, evidence-bound, and structured enough for a lean team to run without creating arbitrary output.
